A CHANCE FOR PEACE

England's Cabinet Council Not Ready for War.

NO ULTIMATUM SENT THE BOERS

Thousands of People Waited Feverishly for Council to End—Army Officers Closeted With Ministers—Time Limit Fixed

BY ASSOCIATED PRESS

LONDON, Sept. 8.—A crowd of from 20 000 to 30 000 persons assembled at the Whitehall entrance to Downing street, where the foreign and colonial offices are situated, early this morning. Joseph Chamberlain and the Earl of Selborne and the Under Secretary were the first arrivals, and they were followed by Field Marshal, Lord Wooley commander in chief of the army, and General Sir Redvers Buller, who, it is said, will have the field command in the event of war with Transvaal, and General Sir Evelyn Wood adjutant general of forces

The arrival of Lord Salisbury, premier was the signal for tremendous cheering. Next came the Duke of Devonshire, Lord President of the Council Right Hon Henry Chaplin President of the Local Government Board and Earl of Halsbury the Lord High Chancellor, who passed unnoticed. As showing the importance of the meeting of the Council, Under Secretary Windham, of the War Department, and Broderick, of the foreign office were summoned to attend. By 1 o'clock all the cabinet ministers were present

It was reported that A J A Balfour first Lord of Treasury would not agree with some of his colleagues in the cabinet and there was some talk of a split.

The Cabinet Council was concluded at 3 p m. A reporter of the Associated Press asked the President of Agriculture, Walter Long, if any conclusion had been reached. He said "All I can say is that we must have patience"

The ministers came out arm in arm laughing and chatting greatly contrasting with the manner in which they went in. Lord Salisbury again received an ovation, although the foreign office has not given out an official statement. The general impression was that no ultimatum would be sent to Transvaal at present and that a time limit was placed for a conference at Cape Town

The short duration of the council and the early departure of the military men summoned, were taken as indications that the situation is more pacific, though of course this is only surmised

OFFICIAL CITY PAPER

FRIDAY SEPT 8 1899

The Civil Service laws do not protect Democrats when their places are wanted for Republicans and so it happened that on Sept 1st, Thomas Watts ceased to be stenographer for the Court of Claims He held the place for eleven years discharging the duties so well so intelligently so faithfully and so accurately that his work was not only always satisfactory but beyond all criticism His removal was due simply to the fact that he was a Democrat whose loyalty was never questioned, and whose fidelity it was known could never be weakened

A good deal of politics will be talked at the county fair, next week but the county fair does not hold the prominent place in the calendar of politicians that it did in years gone by when Orange county was so evenly divided politically that it was good fighting ground for either party The surrender of the dominant party to boss rule has also done much to minimize the interest of politicians in the fair Now, the Republican whose friends want him to run for office makes his running with the bosses In the old times he made it with the people and the county fair was the place where he met and shook hands with them and tried to impress them with a sense of his good fellowship and his fitness for official honors

"What is the matter with New York?" is the subject of an article which Frank Moss counsel for the Mazet committee is to contribute to a Philadelphia paper which is advertising it in a sensational manner One of the troubles with New York is that it has too many citizens of the Frank Moss type who for personal gain or political reasons are willing to besmirch the good name of the city in which they live But in spite of these and outside defamers New York is getting along mighty well better than any city in the country and there is no city in which life and property are safer, where the laws are more honorably and impartially enforced and where the citizen gets so much for the money he contributes to the expenses of government

A dispatch from Reading Pa published in to-day's *Tribune* says that several years ago the farmers in Lancaster, Berks Chester and other counties of Eastern Pennsylvania began fattening western steers for eastern markets and have found the business so profitable that the number fattened has increased each year and this year is likely to reach 50,000 The cattle are bought in the fall are warmly housed and well fed during the winter and when sold have nearly doubled in weight and bring from a cent and a half to two and a half cents a pound more than was paid for them in the fall—some farmers fatten as many as eighty head With the better market that will be afforded if the New York Retail Butchers Association carries out its plans from an abattoir of its own this business which Pennsylvania farmers are now making a beginning will grow to larger proportions and will [illegible] New York and [illegible] from the [illegible] of [illegible] trusts

CUBAN POLITICS.

The Cuban National Party and National League Unite

HAVANA Sept 8—At a joint meeting of special committees representing the Cuban National party and the Cuban National league held in Havana yesterday it was agreed to settle the differences between the two organizations Hereto fore the Cuban National party had insisted that every organized local committee should as such send a delegate to the party's municipal council each committee having an equal representation irrespective of the number of the electorate It is now settled that each 100 voters shall return one delegate

A meeting will be held of the existing presidents of committees to confirm the resolution If the agreement had not been made the two organizations would have followed their own lines It is rumored that the real cause of the amalgamation is the formation of a new party in the eastern provinces, to say nothing of the probable formation of a party led by Gualberto Gomez Cubans now in Havana from the eastern provinces say that even if Quintin Bandera should attempt to check the eastern negroes it is unlikely that he would be able to do so The negroes seem convinced that a color prejudice exists against them among the white Cubans

Gualberto Gomez has been nominated for the presidency by the new eastern party but he will not have any connection with it regarding it as a purely local organization It is expected that as soon as he declares himself the present members of the National league and the National party will abandon the compromise and will join his party though possibly some members of the National party will form a new organization to push the interests of General Maximo Gomez for whom they have a decided preference

BRINK & CLARK.

SHOTS HERE AND THERE.

The Susquehanna and Western conductors don't do things by halves. A large delegation of the order visited this city Thursday afternoon, chartered a special trolley car, draped it with banners advertising their clam bake at Echo Lake, Sunday, and rode over the line several times.

As a means of attracting the attention of the people on the streets two men were engaged to play on a bass and a snare drum. The music, in addition to the shouts and laughter which emanated from the excursionists, proved successful and there is no doubt that everyone along or on the line knows that the clam bake is to be held next Sunday.

An anonymous correspondent, who is strong on sarcasm but a little weak on spelling and the use of capitals, sends in the following, which seems too good to consign to the limbo of unsigned communications and which the writer seems to have intended for this column:

Give em a shot about this turning oft Childrin from the Publick schools and having Joe Penny to chase round and arrest children as don't go to school becaus they have to help their mothers. Looks to me like comon sence to say what is fooled way on Him and use it to hire another Teacher. What this city wants and has got to have is more teaching and less Boy chasing.

Ironical as the idea and flying that letter seems, the boy chaser's services cannot be dispensed with. The State law says that boys and girls too must be [illegible] and made to go to school. [illegible] the city's apparently [illegible] attendance officer would mean the loss of the city's share of the State's public money, and since that amounts to a good many thousand dollars it will be seen that our truant officer, even if not [illegible], is really cheap at twice the salary he gets.

Every time the mains are blown off this [illegible] is stirred up and [illegible] this water stays stirred up [illegible] the mains are blown off. It is [illegible] that the water will be [illegible] for [illegible] the [illegible] will continue to spoil the [illegible] pots [illegible] in [illegible] other ways.

NEW LEADER CHOSEN

Colonel Shaw of New York G. A. R. Commander.

NEWLY ELECTED OFFICERS INSTALLED

Veterans Reject a Motion to Return Southern Battleflags and Refuse Sons of Veterans Admission to Ranks—The Adjournment

PHILADELPHIA, Sept. 8.—Shortly after the opening of yesterday's session of the national encampment of the Grand Army of the Republic Judge Leo Rassieur of St. Louis withdrew his name as a candidate for the office of commander in chief.

Judge Rassieur in a speech that aroused enthusiasm declined to oppose Colonel Albert D. Shaw of Watertown, N. Y., and requested that the vote of the encampment be given to Colonel Shaw.

The encampment then elected Colonel Shaw by acclamation.

Colonel Shaw had been nominated by Department Commander Joseph W. Kay of New York. Captain Thomas L. Sample of Allegheny City seconded the nomination of Colonel Shaw, and the Ohio, South Dakota and Vermont delegations also made known their intention of voting for the New York man.

Irving Robbins of Indianapolis was elected senior vice commander in chief and M. Minton of Louisville was chosen junior vice commander. William H. Baker of Lynn, Mass., was elected surgeon general. Jacob L. Grimm of Maryland was elected chaplain in chief.

The report of the pensions committee, which was recommitted with instructions to the committee to embody therein the desires of the encampment relative to the administration of the pension laws, was again presented and adopted unanimously.

Corporal Tanner was with the majority of the committee. He made an address scoring the practice alleged to have been adopted by the pension bureau. After much heated discussion the report was referred to the committee on pensions. Later in the afternoon a motion was made to return to the south flags captured during the war. This was killed, as was also a motion to admit sons of veterans as members of the Grand Army of the Republic. Shortly before adjournment Adjutant General Thomas J. Stewart of Pennsylvania was appointed.

The newly elected officers were installed, General Louis Wagner of this city, past commander in chief, conducting the ceremonies, after which the encampment adjourned sine die.

The women's relief corps, which began its convention here Wednesday, completed its business by electing the following executive committee: Mrs. Charlotte J. Cummings, Pennsylvania; Mrs. Minnie D. Morgan, Kansas; Mrs. Florence H. Gates, Vermont; Mrs. Lucinda A. Scott, Missouri, and Mrs. Jennie Ball, North Dakota.

The recommendations made by the president of the corps Wednesday were favorably passed upon. One of these was the contribution of $2,000 to the Grand Army of the Republic. The concluding session of the Ladies' Naval Veterans' Aid association was held yesterday, at which the officers elected on Wednesday were installed. No other business of importance was transacted.

The features of the fourth day of celebration of the G. A. R. encampment were the illumination of the [illegible] pavilion and the [illegible] of the [illegible] [illegible] [illegible] the Delaware river. The [illegible] were lighted [illegible] [illegible] searchlights on the vessels were [illegible] the illumination [illegible]. [illegible] attention from the crowds [illegible] Venezuela [illegible] The Academy of Music was [illegible] [illegible] at night by G. A. R. men and their friends to take part in the exercises of [illegible] camp fire. Addresses were made by Governor Stone of Pennsylvania, Mayor Ashbridge of this city, ex-Governor Robert E. Pattison, Lieutenant Colonel Jesse E. Barnet of the [illegible] Pennsylvania regiment, General [illegible] Black of Illinois, United States Senator Penrose and a number of others.

There were numerous reunions held and the illumination of the Avenue of Fame and the fireworks display at Camp James A. Sexton were continued.

A Large Land Claim

TORONTO, Sept. 8.—The Bakers' Heirs association has held a meeting in this city and decided to engage an American lawyer to look after its interests. The association was formed for the purpose of gaining possession of lands in the United States valued at about $400,000,000, including the site on which the centennial exposition was held in Philadelphia in 1876, 92,000 acres in North and South Carolina, coal mines in Pennsylvania and other valuable property which it is alleged belonged to Jacob Baker and which he is said to have leased for 99 years. This period has now expired.

Battle of the Flowers

SARATOGA, Sept. 8.—The Saratoga Floral association's sixth annual floral parade and battle of flowers yesterday afternoon was witnessed by many thousand people from all parts of the United States and Canada. The procession was two miles in length. The floral ball last night was attended by 8,000 people. The fete this year was a great success.

New Fever Cases

JACKSONVILLE, Fla., Sept. 8.—The state board of health here yesterday reported 13 new cases of yellow fever at Key West, W. Hunt Harris, state senator from Monroe county, and son-in-law of Dr. J. C. Porter, state health officer, being among the number. There have been no deaths. No new cases are reported at Miami.

CUBA'S CENSUS.

President McKinley's Proclamation Officially Published.

SANTIAGO, Cuba, Sept. 8.—The census proclamation of President McKinley has arrived here and has been officially published. The newspaper comment is generally favorable. A leading journal says:

"The Cubans must realize the situation and co-operate in all possible ways for the thorough taking of the census, which will give proof regarding the elements of the population and supply arguments to support the contention of our people that they deserve independence and a stable form of government."

Today the Saint's day of the Virgin will be celebrated at El Cobre. Thousands are leaving Santiago to participate, many going on foot. The archbishop will celebrate high mass and there will be a stately procession. The celebration will include also numerous balls and other festivities in the little town, which was almost totally destroyed during the war.

The people of El Cobre are greatly elated at the prospect of the early resumption of work in the rich mining district of which it is the center.

Relief For Hurricane Sufferers

BALTIMORE, Sept. 8.—The United States transport Wright, loaded to the gunwales with relief supplies of food and clothing contributed by Baltimore and Washington residents for the hurricane sufferers of Porto Rico, sailed yesterday for San Juan. Captain Prout, commander of the ship, expects to arrive at the Porto Rican port next Tuesday. The donation amounts in all to 400 tons and consists of rice, flour, meal, salt fish, coffee, crackers, canned goods, clothing, dry goods, shoes, etc. It was found that after settlement of the bills contracted by the purchasing committee there was a handsome surplus in cash, which Mayor Malster will send to the central relief committee in New York city.

Governor Roosevelt's Movements

DELHI, N. Y., Sept. 8.—Delaware county was fully honored yesterday by the presence of Governor Theodore Roosevelt, who made an address at the county fair which is being held here. The governor was met at the depot by a committee of prominent citizens of the county and was escorted by them to the fair grounds. The streets were decorated [illegible] [illegible] and the people along the route cheered for the gallant Rough Rider. At the fair grounds an immense crowd gathered from all sections of the county to listen to the governor's speech and by frequent hearty applause testified their appreciation of his words.

Deadly Habits. The woman who is addicted to the terrible morphine habit knows that she is rapidly going down the steep hill that leads to death. There are thousands of other women rushing down the same incline but they do not know it. They find themselves suffering from nervousness, headache, despondency, irritability and a dozen other symptoms of female troubles. For relief they turn to the many alcoholic stimulants, malt extracts and other compounds "so widely advertised to cure the ailments of women." These produce a false stimulation and the sufferer finds herself compelled to take more and more as time passes and soon becomes an unwitting slave to strong drink. What a weakly woman needs is Dr. Pierce's Favorite Prescription, which contains not a grain of opium or a single drop of alcohol or other dangerous stimulant. It acts directly upon the womanly organs, stopping drains, restoring displacements and having a wonderfully beneficial effect upon the general health. Suffering women who wish to consult Dr. R. V. Pierce himself can do so by mail, addressing him at Buffalo, N. Y. He makes no charge whatever for advice.

Mrs. Rena Hensel of Massillon, Stark Co., Ohio, writes: "I had been troubled with chronic constipation and female weakness and doctored with different physicians, none of whom seemed to help me. I saw one of your advertisements and thought I would try your medicines. I did so and with good results. I took two bottles of Dr. Pierce's Golden Medical Discovery and one of his Favorite Prescription, and I can say I am free of this trouble, thanks to Dr. Pierce and his medicines. They do a world of good to those who give them a fair trial."

If you want a book that tells about all woman's diseases and how to treat them at home, send 21 one-cent stamps to Dr. Pierce to pay postage, and he will mail you a free copy of his great thousand-page illustrated Common Sense Medical Adviser. For a heavier, handsome cloth binding, 31 stamps. It is the grandest medical book for popular reading ever written.

IT IS BLANKET BUYING TIME. Buy them at OUR TRADE SALES, or large movements in fresh seasonable goods. There is economy in our extensive buying. We state the facts—reiterate them day by day while the opportunity lasts because you and we and everybody read carelessly and may skip the first, second or third telling.

Blankets are cheaper here now than you can possibly buy them later—rather cheaper than last year in the face of higher prices generally. If you are interested come while the lot holds out that we got under value.

There are blankets from 75c to $10.00 a pair—maybe those at $1.50 to $1.98 show largest range of saving.

NEW DRESS GOODS. With the multitude of visitors that Middletown has in prospect there are hundreds of women who will need new dresses. It is not just now, later on, but now is the time to buy them. At Tompkins' great special sale of Dress Goods.

As a special inducement for fair week we have cut down the price of [illegible] 29 and 39c fancy dress goods, many of them all wool, to 29c a yard.

You can buy beautiful Covert and Venetian Cloths at 75c A YARD.

$1.35 new black crepons at $1.00 a yard.

$1.75 new black crepons at $1.25 a yard.

$3.00 silk and wool blister crepons at $1.75 a yard.

Beautiful New Plaid back Venetians and Novelty Plaids for tailor made suits at $1.25 to $1.75 a yard and a large range of New Dress Goods from 29c to 39c and 50c that later on will bring fully a third more.

SAMPLE SUITS AND SKIRTS. Don't miss this opportunity. A summer's samples 33⅓ per cent off. Every suit is different. If you get one you will not only save $3.00 to $4.00 but no one will have a suit exactly like yours. Prices $7.50 to $15.00, were made to sell for just a third more. Also the skirts alike saving and all are beauties, marked down to $1.98 to $6.00. Lots of stylish dress skirts at prices between, no two alike.

EARLY SALE OF WINTER UNDERWEAR. There would be no sense in your buying winter underwear on a warm day unless you saved money by it now, would there? Here are underwear facts—we stand self aside and let them speak.

Orders given last spring for delivery by August fifteenth were taken by many mills at less prices than ever. It assured steady work, let times be what they would. They were very handy to fill in with. Well, all the saving is yours—but remember, if 10 per cent is our profit we make fifty cents on a five dollar sale and only thirty cents on a three dollar sale—so we divert special selling to any kind of goods to an otherwise dull month. These lots will be out of the way when underwear time comes. Then we'll sell regular lots as cheap as we dare sell them sensibly, but at higher prices. A few lots of hints—will you share them?

Men's very heavy fleeced lined underwear either single or double breasted. The single breasted are excellent values for 50c. The double breasted ones are worth 65c. Drawers to match, buy them now at 35c each.

Women's Ribbed Vests, Pants to match, just right weight for fall, many wear them all winter, 15c each, a 22c value.

Women's good heavy fleeced lined ribbed pants and vests, 35c quality, now 25c each.

Men's $1.00 camel's hair wool underwear now 75c each.

Men's $1.35 camel's hair wool underwear now $1.00 each.

Ladies' $1.00 camel's hair wool underwear now 75c each.

Ladies' $1.35 camel's hair wool underwear now $1.00 each.

Children's underwear in all grades very much below regular.

And these are but a few items from a store full.

REMNANTS OF OUTING FLANNELS. We have just received direct from the mill 4,000 yards of New Outing Flannels. They run from four to eight or ten yards in a piece. They are 10c goods, but because they are in remnants you can have them for 6c a yard.

REMNANTS OF DRESS LININGS. From another mill our buyer (who is always on the lookout for good goods that can be bought below regular price) has sent us 2,000 yards of imitation silk linings, all new fall goods, both waist and skirt linings. They run from two yards to four or five yards in a piece, 36 inches wide, goods that in a regular way would cost you 15c, 18c and much of it is 25c quality. Pick it out at 7½c a yard.

FURS. Are you interested in furs? We bought early a fine lot that we are selling now way below their regular value. It's worth your while to buy your furs now. The saving will be big.

WAR CLOUD THICKENS.

[illegible] Raad's Actions Harshly Criticised by the Boers.

PRETORIA, Sept. 8.—There was great excitement in the first raad yesterday on Mr. Coetser's interpellation of the government regarding the presence of British troops on the borders and the stoppage of ammunition consigned to the Transvaal.

President Kruger, the members of the executive council and most of the principal officials were present together with a large representation of the general public, including many ladies.

At the outset the chairman and president urged members to preserve calmness and to avoid insulting language.

The state secretary, Mr. F. W. Reitz, said he had called the previous day on the British diplomatic agent, Mr. Conyngham Greene, and had asked him what reply the government could give in the volksraad regarding the alleged massing of British troops on the borders and whether Mr. Greene would communicate with the British high commissioner, Sir Alfred Milner. The reply from Mr. Greene, he continued, had been received and was in the following terms:

"The following is Sir Alfred Milner's reply to the telegram which I sent him at your request:

"'I don't know to what Mr. Reitz refers when he alludes to the massing of troops. This must be the British troops in South Africa, the position and numbers of which are no secret, but it is a matter of common knowledge that they are here in order to protect British interests and to make provision against eventualities.'"

Mr. Coetser and other members then made violent speeches, declaring that they could not understand Sir Alfred Milner's reply, since the Transvaal had never threatened the English colonies.

"It is time," exclaimed Mr. Coetser, "for the Transvaal also to prepare for eventualities."

One member said:

"England's action is like putting a revolver into a man's face."

Another concluded a warlike harangue in this strain:

"It is time to send our burghers to the borders to ask these troops what they want. The fire is bound to start. So let them light it and allow it to burn out quickly. War is better than the present state of affairs. Business is ruined and the public treasury is drying up. Chamberlain is trying to ruin the country."

These speeches and others attacking Cecil Rhodes were loudly applauded by the house and by the public. The debate is proceeding.

President Kruger, rising, said:

"The aliens have been offered equal rights with the burghers, but have refused them. Mr. Chamberlain is striving to get the franchise, which the uitlanders do not want, but what he really desires is the possession of the Transvaal. The burghers are willing to concede much for the sake of peace, but will never sacrifice their independence."

After eulogizing Mr. Gladstone's action of retrocession in 1881 as a noble deed President Kruger said that if it now came to fighting the Almighty would be the arbiter. He urged the members of the raad to show moderation, reminding them that the reply from Mr. Chamberlain was en route and pointing out that if the proposal for a commission were agreed to the republic would send delegates to further discuss matters and if possible to make peace.

Georgians Want Philippine Service.

ATLANTA, Sept. 8.—Governor Candler's minute men, a company of 100, noncommissioned and privates, composed of young men of Marietta, Macon and Atlanta, have made application to Secretary of War Root to be accepted as a company for service in the Philippines. The company was organized in August. Its officers were elected later, and for three weeks the men have been drilling as a company in Atlanta at a secret rendezvous, waiting to hear if their services have been accepted by Secretary Root. With the tender of services to the department went letters of recommendation from Governor Candler and Senators Bacon and Clay.

Butterflies In New York.

NEW YORK, Sept. 8.—New York yesterday afternoon passed through what might be called a butterfly existence of a short duration. This does not apply to the frivolity and foibles of the citizens, but to the presence of large numbers of butterflies, which appeared in all parts of the city and were most plentiful in and about Wall street and the financial centers. The air was filled with these beautiful creatures. They flitted about in large collections and performed all sorts of evolutions. They were not of the yellow variety, such as appeared in New Jersey towns recently, but were principally of a beautifully mottled brown.

THE NEW YORK WORLD

THRICE-A-WEEK EDITION.

Practically a Daily at the Price of a Weekly.

The striking and important events of the last year have established the overwhelming value of *The Thrice-a-Week World* to every reader. For an almost nominal sum it has kept its subscribers informed of the progress of all our wars, and, moreover, has reported them as promptly and fully as if it were a daily. With our interests still extending throughout the world, with our troops operating in the Philippines, and the great Presidential campaign, too, at hand, its value is further increased.

The motto of *The Thrice-a-Week World* is improvement. It strives each year to be better than it was the year before and public confidence in it is shown by the fact that it now circulates more than twice as many papers every week as any other newspaper, not a daily, published in America.

We offer this unequaled newspaper and THE MERCURY together one year for $2.

The regular subscription price of the two papers is $2 50.

Inflammatory Rheumatism Cured in Three Days.

Morton L. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life."
